Thanks Jim. I'll put a conference line number on the forthcoming meeting invites.

Gail --- the highlighted slots work for us.

Do you prefer to call us (or us call you)?

Jim

Hi Jim – Hope you are not suffering too much with the extreme cold up there!

I understand our staffs have discussed the Coyote petition and agree it would be helpful to have a call. Here are some suggested times:

Tuesday, 2/12, 12-1 pm MT

Wednesday, 2/13, 9-10 am MT

Thursday, 2/14, 8:30-9 am MT

We would probably only need 30 minutes in one of those slots. This would be to check in on the Coyote Station title V petition. My primary HQ technical contact was out this week so I didn't try to set it up sooner. We'd also like to include one of our attorneys.

On the issue of flare and combustor efficiency, here are some suggested times:

Tuesday, 2/19, 8-9 am or 1-2 pm MT

Wednesday, 2/20 3-4 pm MT

Some of our enforcement folks would like to sit in on this call. One of them is out for most of next week so I'm shooting for the following week.

Please suggest some other options if needed.

Thanks,
Gail
